

SOMA BLUE MOUNTAINS INTERN QUARTERLY LEARNING REVIEW SHEET

The aim of this Quarterly Review Sheet is to help you analyse yourself according to the specific Learning Outcomes and Learning Activities in your Intern Contract. Please refer to that document when using this sheet. This quarterly review allows you to take a longer view of your learning. You will find it helpful to look back over your journal and your weekly Ministry Review Sheets. You will share this material with your mentor and Dave Miles. Focus on both positive and negative aspects as appropriate. Use points if it helps.
